

SCRUBS

CAMP

HEALTHCARE CAREER
EXPLORATION PROGRAMS

"As a scholarship student, my eyes were opened to more careers in the health and medical field. I'm getting excited about my future after high school!"

- Anoka Scrubs Camp Scholarship Recipient, 2021

"This camp is a great opportunity to learn about the medical field. My sister was a Scrubs camper and inspired me now that she is pursuing a career as a physician assistant at Mayo Clinic, so I am following in her footsteps at Scrubs Camp. My favorite part was working with the pediatrician and her children to take heart rates and learn other skills that a PA would do."

- Winona Scrubs Camper, 2021

Scrubs Programming 2021

12

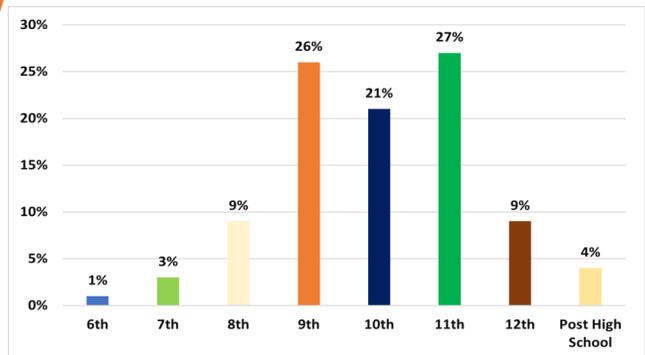

SCRUBS
PROGRAMS

12 Scrubs programs were offered this year: 9 Scrubs Camps, 2 Cohorts of Scrubs Online, and 1 new Scrubs: Snapshot! CNA Event.

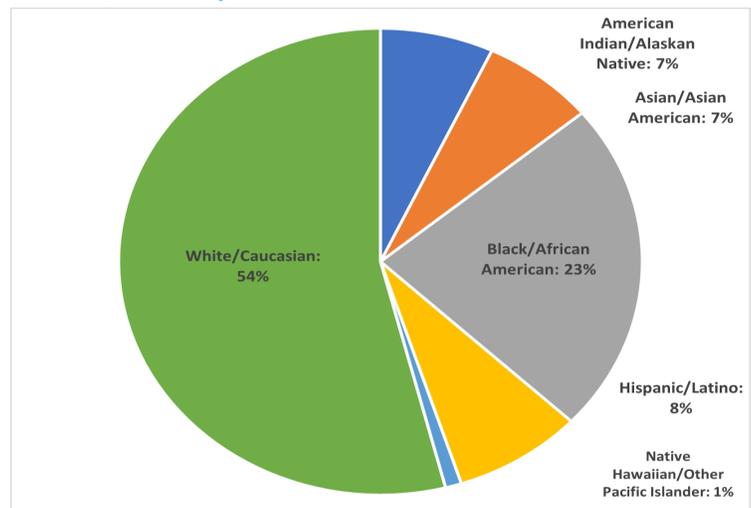

- **Scrubs Camps:** We were excited to have in-person summer programming in 2021! A total of 403 students attended our in-person camps and snapshot event.
- **Scrubs Online:** We partnered with the Arrowhead Area Agency on Aging, receiving grant funding to offer Scrubs Online to a 62- student cohort in north-east Minnesota.
- **Scrubs Snapshot:** Our newly-piloted 2021 event focused on Certified Nursing Assistant career exposure to current CNA students to support better job placement and satisfaction.

STUDENT
LEARNING
OUTCOMES

The Scrubs family of healthcare career exploration programs focuses on exploration of a wide variety of health occupations, personal development and growth, and setting the stage for a successful post-secondary education experience.

471

Total number of students who attended a Scrubs program in 2021.

99%

Students plan to attend a 2- or 4-year college/university.

89%

Students are interested in a career in healthcare.

\$32,405

Total funds provided for student scholarships, funding 22% of our campers.

Additional Student Statistics

- 13% will be First-Generation college students
- 22% qualify for free/reduced lunch
- 99% are motivated to do well in school
- 10% are planning to attend a 2-year college
- 97% are planning to attend a 4-year college
- 6% are current MN HOSA members

“The goal of our Scrubs Programs has always been to provide healthcare career exploration. But there is so much more. Students leave our camp programs, whether in-person or online, with newfound confidence and understanding of what the future could hold.

You can see, across all of our programming, that students have that “lightbulb” moment of clarity and passion towards a career which they may never have considered—or a confirmation of having already identified a great career option. This programming is especially needed at a time when our healthcare system has so many workforce shortages.

I am so thankful for our camp coordinators and program planners whom we have been working with this last year to plan successful in-person programming after not being able to do so in 2020 due to COVID-19. We tried to anticipate as many challenges as possible to holding in-person events, and I am so proud of the work that the Scrubs Camp team has been able to provide which allowed these events to continue. I am also so incredibly thankful to our industry partners and healthcare providers who have brought back educational excellence for our campers and students. We all have worked hard, together, to continue to inspire students towards a future career in healthcare.”

-Brady Malecha, K16 Program Coordinator, Minnesota State HealthForce Center of Excellence

We would not have had the successes of 2021 without the efforts of our partners who volunteered, provided videos, content, time, knowledge, and expertise, as well as scholarship funding.

THANK YOU!
